

Come What May

Never knew I could feel like this
Like I've never seen the sky before
Want to vanish inside your kiss
Every day I love you more and more

Listen to my heart
Can't you hear it sing
Telling me to give you everything
Seasons may change
Winter to spring
But I love you
Until the end of time

Come what may
Come what may
I will love you
Until my dying day

(ooh)
Suddenly the world seems such a perfect place
Suddenly it moves with such a perfect grace
(Ooh)
Suddenly my life doesn't seem such a waste
It all revolves around you

And there's no mountain too high *(no mountain to high)*
No river too wide
Sing out this song and I'll be there by your side
Storm clouds may gather
And stars may collide
But I love you
I love you
Until the end of time

Come what may *(come what may)*
Come what may *(come what may)*
I will love you
Until my dying day

Come what may
Come what may
I will love you
Until my dying day
