

Jungle Book Medley

Look for the bare necessities
The simple bare necessities
Forget about your worries and your strife.
I mean the bare necessities
Old Mother Nature's recipes
That brings the bare necessities of life.

Wherever I wander, wherever I roam
I couldn't be fonder of my big home
The bees are buzzin' in the tree
To make some honey just for me
When you look under the rocks and plants
And take a glance at the fancy ants
And maybe try a few
The bare necessities of life will come to
you
They'll come to you!

Look for the bare necessities
The simple bare necessities
Forget about your worries and your strife
I mean the bare necessities
That's why a bear can rest at ease
With just the bare necessities of life

Wherever I wander, wherever I roam
I couldn't be fonder of my big home
The bees are buzzin' in the tree
To make some honey just for me
When you look under the rocks and plants
And take a glance at the fancy ants
And maybe try a few
The bare necessities of life will come to
you
They'll come to you!

Now I'm the king of the swingers
Oh, the jungle V.I.P
I've reached the top and had to stop
And that's what's been botherin' me

I wanna be a man, mancub
And stroll right into town
And be just like the other men
I'm tired of monkeyin' around!

Oh, oohbee doo (wop do oo)
I wanna be like you (sho be do be do be)
I wanna walk like you (shoop)
Talk like you (shoop), too (sho be do)

You'll see it's true (wop do oo)
An ape like me (sho be do be do be)
Can learn to be (shoop) human (shoop)
too

Now don't try to kid me, mancub
I made a deal with you
What I desire is man's red fire
To make my dream come true
Now give me the secret, mancub
Come on, clue me what to do
Give me the power of man's red flower
So I can be like you

Oh, oohbee doo (wop do oo)
I wanna be like you (sho be do be do be)
I wanna walk like you (shoop)
Talk like you (shoop), too (sho be do)

You'll see it's true (wop do oo)
An ape like me (sho be do be do be)
Can learn to be (shoop) human (shoop)
too

Can learn to be human too
Can learn to be human too
